

COMING BACK TO DANCE SAFELY at AMS

Thank you for your continued support and loyalty, we are excited to be back! Our priority is to get our students back to doing what they love, and creating a safe and healthy environment for our dancers is paramount. We have put the below measures in place to ensure our staff and students are enjoying their dancing in a safe environment. They are based on the latest government directives. As this is a progressive situation, we will continue to make adjustments, as it is deemed safe and appropriate to do so.

If you're sick, stay home

Students must wash hands with soap or sanitize hands at the sanitise station provided before and after class

Maintain a distance of 1.5m from others at all times

4 square meter rule must be followed within studio

Surfaces will be cleaned after EVERY CLASS

'Drop and Go' system. Parents are not allowed inside the premises

**(further information below)*

DROP OFF & PICK UP – PARENT GUIDELINES

- Parents are required to drop off and pick up their child at our front door without entering the premises. Pre-school parents are exempt. Each pre-school aged student is permitted 1 parent only, to bring them inside the premises to assist them with class preparation as required. These parents are required to exercise social distancing (1.5m) and adhere to the maximum persons in each area limit. These parents are also required to wash or sanitize their hands upon arrival. No exceptions.
- All Parents are asked to drop off their child no more than 5 mins prior to the start of class time to ensure that there are no children waiting inside the building unnecessarily. If a child is anxious/upset for any reason, one parent is permitted to accompany their child inside to help them settle.
- Parents are asked to pick up their child promptly after class to ensure that there are not children waiting unnecessarily. Parents should wait outside the front door at class finishing time, and a member of staff will see students out the door to a parent. Consent must be sought for any child no matter the age to walk unattended to their parents car.
- Parents are asked to exercise social distancing outside our building whilst dropping and collecting children. Please wait in cars until class appropriate pick-up or drop off time.

STUDENTS GUIDELINES

- Students should arrive in uniform, ready to dance. Dance shoes can be put on upon entering the building.
- Students should not arrive more than 5mins early for their dance class. Whenever possible, please get your children to warm-up at home to be more prepared.
- Please bring only your dance shoes in a small bag, and a drink bottle and LABEL them.
- Students are required to wash or sanitize their hands before and after each class.
- We will encourage students to continue to practice social distancing in the studio (1.5 metres). Our studio is ample enough to achieve this.
- Students are directed to not touch their faces (nose, eyes, mouth) whilst at the studio.

- Students are asked to not share any digital devices or food.

ILLNESS PROTOCOL

- Any person who is showing cold or flu-like symptoms is not permitted at the studio.
- Any student that displays cold or flu symptoms inside the studio will be sent home.
- Any person who has been instructed to self-isolate is not permitted at the studio and must inform us immediately.
- Any person who has been or who believes they may have been in contact with someone who may have Covid-19 is not permitted at the studio and must inform us immediately.
- If any student or member of staff contracts Covid-19, the studio will close, and the premises will be thoroughly cleaned, and health authorities will be consulted before re-opening. All parents/guardians will be notified immediately.

Thank you again for helping us provide a safe and fun environment for all of our staff and students through this difficult time.
